

77743 XXX GUN CLEANER

TECHNICAL DATA SHEET

Description

77743 XXX GUN CLEANER is a heavy-duty cleaning solvent and paint gun cleaner. **77743** quickly removes grease, adhesives, dirt, grime and paint overspray from metal surfaces and spray equipment.

Features

- Heavy-duty
- Does not contain chlorinated solvents
- Convenient aerosol packaging
- Quick action formulation

Typical Properties

Container	Aerosol
Color	Clear
VOC*	4.58 #/gl (550.6 g/l)

***77743 XXX GUN CLEANER** is exempt per SCAQMD rule 1171. See local regulations for details.

Handling and Application

APPLICATION:

Apply **77743 XXX GUN CLEANER** liberally to a clean, soft, lint free cloth and wipe surface to be cleaned. DO NOT leave solvent cloth on plastic or painted surface.

Attach the straw nozzle to the spray tip for hard to reach areas and easily blast contaminants away.

NOTE: 77743 is not recommended for use on plastic or painted surfaces as it may soften and discolor the substrate.

STORAGE:

77743 XXX GUN CLEANER should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life for **77743** is 5 years when stored under normal conditions.

TECHNICAL CONSULTATION SERVICE

Our Technical Staff is ready to assist you with any questions. You are invited to take advantage of our extensive experience, laboratory services and trained field service representatives. Call (800) 831-1122 for answers to your questions. Hours of operation are Monday through Thursday 8:00 am until 5:00 pm EST and on Friday 8:00 am until 4:30 pm EST.

DISCLAIMER: The information supplied in this document is for guidance only and should not be construed as a warranty. All implied warranties are expressly disclaimed. All users of the materials are responsible for assuring that it is suitable for their needs, environment and use. All data subject to change as SEM deems appropriate.

Users should review the Material Safety Data Sheet (MSDS) and product label for the material to determine possible health hazards, appropriate engineering controls and precautions to be observed in using the material. Copies of the MSDS and product label are available upon request.
