

There's a hot new stripper in town.

XXX FINISH STRIPPER from SEM

If you're looking for a heavy-duty paint stripper that offers superior performance at a great price, try **XXX FINISH STRIPPER** and watch it all come off!

Why grab the same-old stripper when there's something you'll like even better? And it's from SEM, a name you know and trust.

SEM **XXX FINISH STRIPPER** is delightfully aggressive, with the power to dissolve hard-to-remove resins and coatings. And it clings in all the right places, so you can strip paint from every curve and plane.
